27     **Fee Narrative**

28     The Debtors, Richard and Dawn Martines, filed for bankruptcy protection under Chapter 13 of Title 11 of the United States Code on May 14, 2019. This case was taken by our firm on an hourly basis because it was clear from the beginning that this would not be an ordinary Chapter 13 case.

29     The Debtors were above-median income; however, their expenses were not typical of your average Chapter 13 family. Additionally, the Debtors had exempt property that was not normally seen in a Chapter 13 case. The Debtor's acknowledged that one or both of these issues could cause the Trustee to object in order to increase the distribution to the unsecured creditors.

1 To date our firm has spent a substantial amount of time calculating plans, the means test,  
2 and the Debtors' exemptions

3 Based on the work performed thus far, Attorney for the Debtors believes that an initial  
4 fee application totaling \$14,005.00 was justified by the amount of work done.
